

DVLED ALL-IN-ONE SERIES

The LG DVLED All-in-One display series merges the brilliance of DVLED, flexible size, simple installation options, and the convenience of an all-in-one system with built-in speakers and embedded controller. They can be used in a wide range of commercial applications, residential home theaters, and even secure government control rooms, bringing DVLED into areas previously reserved for LCD displays.

- Easy to order, Easy to Install
- Extendable Multi-Screen Options
- Care-free Maintenance with LG ConnectedCare and ExtendedCare
- Premium Video and Audio
- LG webOS Smart Platform

163" MAGNIT All-in-One

LAAA009-G5
